

# The Loftware Product Line

Modern, flexible and scalable labeling solutions, whatever the size of your company

## Reduce IT Costs

- Empower your business users to design and approve labels
- Integrate with your business systems using pre-built connectors
- Minimize IT support and infrastructure investments

## Reduce the cost of quality control

- Digitally transform your quality assurance process with our document management system
- Eliminate the time your quality control people spend on paper-based processes
- Eliminate the cost of errors from legacy approaches

## Faster time to market

- Make label change requests faster and improve your customer responsiveness
- Eliminate error and unplanned downtime to ship products faster
- Improve productivity, therefore efficiency

## Benefits of the cloud

- Be up and running in minutes
- Start small and scale
- Access to labeling anytime, anywhere.
