

Why Be Content With This...

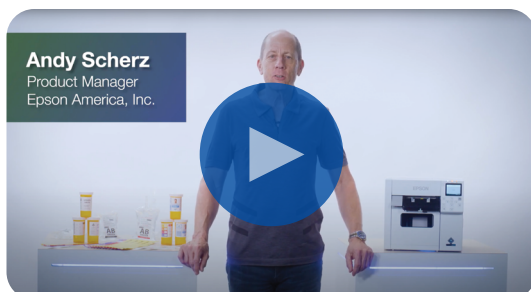

- With standard labels, key information may be hard to identify
- Two-step printing and multiple manual steps may be required
- Critical instructions and risks may not stand out

When You Can Have This...

- Hi-res color images help to easily identify patient and medication
- One-step color printing process can help to reduce inventory and cost
- Visibly highlight risks, allergens, dosage and frequency

ColorWorks® On-Demand Color Label Printers

See them in action.

PRECISIONCORE
PRINTHEAD

SIMPLE ♦ SMART ♦ CLEAN

Powered by PrecisionCore®

Advanced printing technology that is simple, smart and clean.

- Simplified for reliable performance
- Highly scalable design enables superior image quality
- Heat-free technology supports low power consumption

Learn more at epson.com/precisioncore

Designed for Ease of Use

- Hassle-free—no ribbons or thermal printheads to replace
- Easy thermal replacement—native ZPL II®, Windows®, Mac®, SAP®, Linux®
- Powerful remote management utility
