

SureColor® T7770DL 44-Inch Large-Format Dual-Roll CAD/Technical Printer with 1.6 L Ink Pack System

SureColor T-Series

44" Wide, 6-Color

This design changes everything.

Incredible speed and performance — delivers crisp, detailed, colorful prints using a reliable 2.64" PrecisionCore® MicroTFP printhead, producing remarkable A1/D-size prints in as little as 16 seconds¹

Reduce total cost of ownership — 1.6 L bulk ink pack system (ink sold separately) more than doubles the ink capacity of previous generations for improved efficiency

Innovative design fits almost any workflow — unique flattop design with complete front operation, simple automatic roll loading and dual roll/take-up reel integrated

Stunning image quality and precise line detail — vivid UltraChrome® XD3 Ink with Red Ink produces crisp lines and vibrant colors for graphics, signage, blueprints, documents and more

Print on a wide range of media for various applications — print on a variety of media, including glossy, technical, bond, matte and specialty media, and rigid posterboard up to 1.5 mm thick

Seamless, dual-roll productivity — accommodate two media types or sizes, or use the second roll as a take-up reel for roll-to-roll production

Easy to use and maintain — configurable 4.3" touchscreen control panel for simple operation, automated routine maintenance and convenient user self-service for long-term operation

No assembly required — be up and printing in as little as 30 minutes

Versatile connectivity — SuperSpeed USB 3.0, Gigabit Ethernet and Wi-Fi® connectivity (2.4 GHz and 5 GHz) options to fit virtually any production workflow

IT and security features — over 28 IT and security features for office or remote office locations, including IC card option for user control and tracking, SSD Encryption and IEEE 802.1x

Maximize productivity with included Epson® Software Suite and

Epson Cloud Solution PORT² — remotely manage and monitor your printer fleet from the convenience of your laptop or smart device

Designed for use exclusively with Epson ink packs.*

*This product uses only genuine Epson-brand packs. Other brands of ink packs and ink supplies are not compatible and, even if described as compatible, may not function properly or at all.

1 Print speeds are based on the print engine speed only. Total throughput time for any print depends on various factors including workstation configuration, file size, print resolution, ink coverage and networking. Actual print speeds will vary. | 2 All features of this system require an active Internet connection and the use of a supported browser. | 3 Ink pack yields vary considerably based on images printed, print settings, paper type, frequency of use and temperature. For print quality, a variable amount of ink remains in the ink pack after the "replace ink pack" indicator comes on. | 4 High-volume cutting of canvas and heavy media stocks may require frequent cutter replacement. | 5 For the latest drivers, visit www.epson.com/support | 6 For convenient and reasonable recycling options, visit www.epson.com/recycle | 7 SmartWay is an innovative partnership of the U.S. Environmental Protection Agency that reduces greenhouse gases and other air pollutants and improves fuel efficiency. | 8 See individual service plan for details. | 9 Product comes with a 1-year limited warranty with the option to purchase Extended Service Plans up to a total of 5 years of continuous coverage. Extended Service Plan can be purchased at any time that you are covered under an Epson limited warranty or Epson Extended Service Plan.
